## Acting as if...

March is the month of magic for me. Everything is budding out from the bulbs to the trees. All is perfect in the garden with everything poised to explode with fruit and color. I know that when my motives are pure with no agendas or ego involved, the decisions I make are inspired. It is acting as if... that I move forward to make the myriad of choices throughout each day. And ultimately know that I am my best version of myself.

## March Fun Facts....

"The word 'March' comes from the Roman 'Martius'. This was originally the first month of the Roman calendar and was named after Mars, the god of war. March was the beginning of our calendar year. We changed to the 'New Style' or 'Gregorian calendar in 1752, and it is only since then when we the year began on 1st January. The Anglo-Saxons called the month Hlyd monath which means Stormy month, or Hraed monath which means Rugged month. All through Lent the traditional games played are marbles and skipping. The games were stopped on the stroke of twelve noon on Good Friday, which in some places was called Marble Day or Long Rope Day."
